### Jeri Redfern-Wilson – Professional Summary

Clearinghouse CDFI is thrilled to welcome Jeri Redfern-Wilson as our new Administrative Specialist. With a deep passion for helping people build better lives, Jeri brings extensive administrative expertise and a commitment to service and community engagement. In her role, she will ensure smooth operations by professionally greeting and directing visitors and tenants, managing office tasks, maintaining the office environment, and providing essential administrative support to various staff, including the HR team. Additionally, Jeri will assist in coordinating travel arrangements, organizing events and conferences, and supporting loan closings by organizing necessary loan documents.

Outside of work, Jeri enjoys volunteering and is proud of her amazing family. She and her husband have three adult children who are making a positive impact in their respective fields. A fun fact about Jeri is at just 18 years old, she was hired to chauffeur legends like George Burns, Milton Berle, and Red Fox who chose her because she treated them like a friend not a fan. Jeri enjoys traveling, is a CERT volunteer, enjoys day trading, and loves spending time with family and friends.

Jeri's dedication to community, her diverse experiences, and her unwavering commitment to excellence make her a valuable addition to the Clearinghouse CDFI team.

**Welcome to Clearinghouse CDFI, Jeri!**
